2019 Annual Conference of the
Australian Society of Cosmetic Chemists

'East meets West - The Beauty of Opportunity'

ESPLANADE HOTEL, FREMANTLE, WESTERN AUSTRALIA 7-9th May, 2019

If you are a raw material supplier, finished product manufacturer, brand owner or in any other related discipline (such as packaging, marketing or IP protection), the ASCC Conference is an excellent opportunity to highlight new exciting technologies and research, showcase the latest market trends and provide a hands on experience that people will be talking about well after the event. In the last few years the ASCC Conference has continued to grow and attract a diverse range of delegates, all with a link to the Personal Care Industry, both in Australia and Internationally. The 51st Annual Conference looks to build on the close relationship Australia has with our Asian neighbours. By holding this event in Western Australia it represents a gateway for future Innovation and collaboration.

Persons interested in presenting papers or workshops at this Conference are invited to submit abstracts.

Conference programming requirements dictate the following timing:

- Papers should take 20 – 25 minutes to present.
- Workshops should be of 55 minutes duration. These should be of an interactive/ hands-on nature and encourage a high level of participation by attendees. There will be a set of basic lab equipment available to be used for sensory/ formulation workshops.

The abstract shall be submitted by email in the following format:

- The abstract must be typed double spaced, in English, preferably Arial font 12 point, and be between 100 and 200 words in length.
- The title must be in capital letters and include the name(s) of the author(s), with the presenting author's name underlined. If the presenter is not one of the authors, that must be clearly stated.

With your abstract, please ensure that you include the following information:

- Paper title, name of author(s), name of presenter, company or organisation
- Postal address, phone (with country and area code) and email address
- Please indicate clearly whether you are submitting a paper or workshop and for workshops indicate if there is a maximum number of attendees and any special resources required.
- Please include what category you wish to submit your abstract for (regulatory, natural products, fragrance, active materials, sunscreen, marketing etc). The organizing committee is looking at grouping conference sessions by theme in order to best separate papers and offer a more targeted experience for delegates who may be interested in particular subject areas.
- Please provide as much detail as possible within your abstract as this will form part of the selection process. For workshops an understanding of the concept and how you will engage the audience is highly recommended to be included with your submission.

Full guidelines and eligibility criteria for awards can be found on the ASCC Website (www.ascc.com.au)

Abstract submissions are to be sent to the Conference Technical Organising Committee; Matthew Martens (matthew.martens@croda.com), Ric Williams (ric@cosmepeutics.net.au) and Danny Hettiarachchi (danny@phytocognosy.com.au)
