

2021 ASCC Conference Update

2nd February 2021

The ASCC is appreciative that there remains a high degree of uncertainty around interstate travel at this time. We are conscious that the situation is not conducive to allowing us to hold the best possible event for our delegates, exhibitors, speakers, and members.

Therefore, we have acted early and decisively for the better of our society and would like to announce that the 53rd Annual Conference scheduled to be held 11th - 13th May 2021 has been **rescheduled to 6th - 8th September 2021**. The ASCC Council and Conference Organising Committee remain extremely focused on delivering an outstanding event, one which will allow maximum participation by all delegates.

In terms of the impact this will have for those delegates, sponsors and exhibitors already committed to attend:

- All current registrations will be transferred to the new dates without issue.
- All exhibitors / sponsors will be transferred to the new date without change.
- All hotel accommodation bookings made directly through Ozaccomm will need to be adjusted to the new dates. Please allow the ASCC and Ozaccomm some time to facilitate this change.
- New registrations will open shortly, and the rest of the conference planning procedures will happen as normal.

The ASCC takes the health and safety of everyone involved very seriously. We recognise that the situation around interstate travel can change rapidly in these times and rescheduling until September will give all delegates the best possible opportunity to attend.

The ASCC Council and Conference Organising Committee would like to express their thanks for your understanding in this matter. We will be constantly reviewing the situation and providing updates as required, but please rest assured that there will be no further changes to this date. The Organising Committee have worked extremely hard to ensure that the 2021 conference will be an outstanding industry event and stand ready to welcome you all to Queensland in September.

Michelle Kane
ASCC President

Robert McPherson
2021 ASCC Conference Chairperson
