CALL FOR PAPERS

The ASCC conference is an excellent opportunity to highlight new and exciting technologies/ research, update attendees about the latest market trends or provide a hands-on experience that people will be talking about well after the event.

We are inviting persons interested in presenting papers, posters or workshops in the HOME and PERSONAL CARE SEGMENTS to submit abstracts showcasing trends and innovations aligned with the theme of the conference;

Shattering the Glass Ceiling: Redefining Beauty

If you are a formulator, cosmetic scientist, engineer, consumer or clinical researcher, or academic working in research institutions, raw material supply, finished product or packaging manufacturing, marketing, IP protection, for a brand or any other related discipline, we encourage you to participate.

Persons interested in hosting a platform presentation, workshop or poster at this conference are invited to submit abstracts. 2022 is the first year the conference will offer a poster format. There is the option to present a poster by itself, or alongside a presentation or workshop.

Please submit a form for *each* subject you would like to put forward.

Conference programming requirements dictate the following timing:

- Papers should take 20 – 25 minutes to present.
- Workshops should be of 55 minutes duration. These should be of an interactive/ hands-on nature and encourage a high level of participation by attendees. There will be a set of basic lab equipment available to be used for sensory/ formulation workshops.

The abstract shall be submitted by email in the following format:

- The abstract must be typed double spaced, in English, preferably Arial font 12 point, and be between 100 and 200 words in length.
- The title must be in capital letters and include the name(s) of the author(s), with the presenting author's name underlined. If the presenter is not one of the authors, that must be clearly stated.

With your abstract, please ensure that you include the following information:

- Paper title, name of author(s), name of presenter, company or organisation
- Postal address, phone (with country and area code) and email address
- Please indicate clearly whether you are submitting a paper or workshop and for workshops indicate if there is a maximum number of attendees and any special resources required.
- Please provide as much detail as possible within your abstract as this will form part of the selection process. For workshops an understanding of the concept and how you will engage the audience is highly recommended to be included with your submission.
- Please provide a short biography of the proposed presenter and a passport size photograph.

There are four awards presented at the Conference. In brief they are:

- Lester Conrad Award – Best paper presented at the Conference
- Jack Jacobs Memorial Trophy – Best paper based on original research conducted in Australia or New Zealand
- ASCC Educational Paper – Best educational paper not fitting into the criteria of either the Lester Conrad award or the Jack Jacobs Memorial Trophy.
