Looking for THE place to be for the latest in cosmetic ingredients and product innovations in the personal care industry? Want to build connections with cosmetic raw material suppliers, manufacturers, agents and experts? Come join the ASCC Conference and....

Be a part of our educational program and show your innovation!

# Calling all papers, presenters and posters.

We are inviting persons interested in presenting papers, posters or workshops in the HOME and PERSONAL CARE SEGMENTS to submit abstracts showcasing trends and innovations aligned with

## Evolution of Australian BEAUTY:

### Surfing the waves

If at first you don't succeed, try and try and try again until you succeed.  
How many of our success stories can we celebrate?

### Australian Beauty

Australian made, Australian designed or Australian invented.

### Evolution

What's old is now new again! Using old innovation to inspire future products.

If you are raw material supplier, finished product manufacturer, brand owner or many other related disciplines, such as packaging, marketing or IP protection, the ASCC conference is an excellent opportunity to highlight new and exciting technologies/ research, update attendees about the latest market trends or provide a hands-on experience that people will be talking about well after the event.

The ASCC Conference is a fantastic platform that attracts a diverse range of delegates all with a link to the Personal Care Industry both in Australia and Internationally.

Persons interested in hosting a platform presentation, workshop or poster at this conference are invited to submit abstracts.

Please submit one (1) form for each subject you would like to put forward.  
There is also the option to present a poster.

With a host of educational opportunities, networking events, more supplier booths than ever before, poster and innovation zones, come be inspired and find out the latest industry launches and developments.

The closing date for abstracts is **15 Oct. 2023**

Conference programming requirements dictate the following timing:

- Papers should take 20 – 25 minutes to present.
- Workshops should be of 55 minutes duration. These should be of an interactive/ hands-on nature and encourage a high level of participation by attendees. There will be a set of basic lab equipment available to be used for sensory/ formulation workshops.

The abstract shall be submitted by email in the following format:

- The abstract must be typed double spaced, in English, preferably Arial font 12 point, and be between 100 and 200 words in length.
- The title must be in capital letters and include the name(s) of the author(s), with the presenting author's name underlined. If the presenter is not one of the authors, that must be clearly stated.

With your abstract, please ensure that you include the following information in the **CONFERENCE ABSTRACT SUBMISSION FORM** below:

- Paper title, name of author(s), name of presenter, company or organisation.
- Postal address, phone (with country and area code) and email address.
- Please indicate clearly whether you are submitting a paper or workshop and for workshops indicate if there is a maximum number of attendees and any special resources required.
- Please provide as much detail as possible within your abstract as this will form part of the selection process. For workshops an understanding of the concept and how you will engage the audience is highly recommended to be included with your submission.
- Please provide a short biography of the proposed presenter and a passport size photograph.

***Abstracts will not be considered if they are not accompanied by the signed abstract submission form***
